

## **Multi-faith prayer service: A Prayerful Call to Divest from Fossil Fuels Thursday, 9<sup>th</sup> March, 9.30 – 10.30 am St Patrick's Cathedral, Parramatta**

You are warmly invited to share in prayer, music and meditation with others from diverse traditions, as part of a global Divestment Week of Action during the Christian season of Lent. We want to:

- Reflect on our shared responsibility to care for our common home
- Pray that faith-based organisations and people of faith will commit to divesting from fossil fuels
- Show public support for those people of faith who are advocating that their faith-based organisations divest
- Add human interest/images for articles in religious media promoting divestment.

Divestment from fossil fuels (coal, oil, gas) is an important way for faith communities to address the climate crisis and say 'no' to the financing of fossil fuel intensive enterprises, especially mining. The Laudato Si' Movement and ARRCC will publicly encourage Catholic and other faith-based organisations to commit to phasing out investments in fossil fuels and shifting the money in their care to socially responsible investments.

After the service, you're welcome to stay for morning tea.

*Multi-faith service, St Patrick's Cathedral, Parramatta, 13 October, 2022.*
